Becoming a Crime Scene Investigator. What steps can you take to become a Crime Scene Investigator or Forensic Scientist? We have outlined the four steps you should take to get one of these fascinating careers: Learn, Prepare, Apply and Test.

### **How to Become a Crime Scene Investigator**

Employers typically use two types of questioning—experience-based and scenario-based interview questions—for criminal justice oral board interviews. Experience-based questions require that you talk about how you've responded to actual situations in the past. Scenario-based questions ask you to describe how you might respond to a hypothetical situation in the future.
