This is NOT a psychopath. Many people have traits on a low scale, but a real psychopath will love to see you in pain – press false charges against you, sleep with your sister, have a child with you and leave, constantly lie and cheat in everything – you'll notice a lifetime history of this with the person.

Psychopathy is without a doubt genetic. My x-husband is a psychopath . . . and my X-son (brought up by me exclusively) is a clone of his psychopathic father. i.e., the lying, the blaming, the aggression, the need to dominate, the need to win, the inappropriate rage outbursts, the constant put-downs, the manipulation, the sense of entitlement, the lack of empathy & compassion, the unbridled ...

Since writing about gas lighting and toxic relationships, I have received numerous messages from people who are either currently in, or have been in, relationships with narcissists or sociopaths.. Even once a relationship has ended the twisted dynamics that are associated with narcissists and sociopaths will likely continue and they are not always easy to understand.
